

## DATASHEET

### Modular plug 6P6C flat cable stranded wire

Part number : 6P6C

## Features

Body :	PC, UL 94V-2
Contacts :	Bronze phosphor, 15 $\mu$ gold plated on nickel under plating
Operating temperature :	-40°C ~ 70°C
Rate humidity supported :	10% ~ 90% RH
Cycles :	1000
Body colour :	Transparence

## Electrical properties at 20°C

Intensity supported :	1,5 Ampers Max
Insulation resistance :	500 MOhms
Contact resistance :	20 mOhm
Resistance DC :	0.1 Ohm
Test voltage (DC, 1 min) :	1000 V

## Packaging

100 items in thermo-sealed plastic bag with label DECELECT (40x20mm).
